Total	200	6	194		44	39	278		
Average				72					

¹ Start year: The year of enrollment from which the students are expected to graduate in 2008 according to the programme duration.

² These were students who graduated this year but were part of the intake of a previous cohort. For whatever reason they failed to graduate with their intake cohort, continued with the course and graduated successfully this year.
