People who received
Sinopharm vaccination can
Register for a booster dose
via the BeAware App

1 month after receiving your second dose

6 months after receiving your second dose

High-risk individuals

50 years old or older

Those who suffer from **obesity**, **comorbidities**, or with conditions with **compromised immune systems**

Front-line workers

All other vaccinated individuals

The colour of the vaccination shield will automatically change to yellow, to indicate that a booster dose is due

Your green vaccination shield will return after receiving the booster dose
