Democratic Socialist Republic of Sri Lanka

People's Republic of Bangladesh

Federal Democratic Republic of Nepal

Socialist Republic of Vietnam

Passengers arriving from Red List countries, including passengers who have transited through any of those countries at any point in the preceding 14 days, are prohibited from entry unless they are citizens or residents of the Kingdom of Bahrain.

All vaccinated and unvaccinated passengers arriving directly from or in transit through Red List countries, who are 6 years or above and eligible for entry, are subject to the following procedures:

Passengers eligible for entry must present a negative PCR certificate, with a QR code, administered within 48 hours of their departure

Undergo further testing upon arrival, and on their 10th day of mandatory quarantine

Undertake a 10-day quarantine at a designated center licensed by the NHRA. Passengers with an address in Bahrain, registered in their name or the name of an immediate family member, may complete their 10-day mandatory quarantine at that residence

Payment for testing may be made on arrival or through the **'BeAware Bahrain'** application.
